

THE ABCs OF HARMONY'S DESIGNATED SCHOOLS

2023 Edition

WELCOME to SCHOOL

Harmony's master plan allocates land within the community for up to three future school sites, to be built by the Rocky View School Division in accordance with their Three-Year Capital Budget plan. In the meantime, you'll discover Springbank and the surrounding areas have excellent schools with outstanding reputations, both public and private.

From preschool through Grade 12, this booklet will give you an overview of what's available and where to begin.

Register with Rocky View Schools

The best way to register your child (K-Grade 12) is to visit www.rockyview.ab.ca/schools/registration.

From there you will learn about your child's designated school and access the online forms to complete registration.

Parents wishing to register for a school other than that which is designated must complete a Registration form and an Out of Attendance Area Application form. This will apply to the Catholic School System, as it does not have a designated school in Springbank.

All forms are available at:
www.rockyview.ab.ca/schools/registration.
