BENEFITS GUIDE 2025

Welcome to

HARMONY[®]

ROCKY VIEW COUNTY

Welcome Harmony Residents,

We are very excited to be a part of the Harmony Family and in getting to know you, and this beautiful community! As one of the many benefits of living in Harmony, you will also become a Social Member of Mickelson National Golf Club – bringing family and community together at one of the nation's most prestigious and revered golf courses.

With over 50 professional wins, winner of The Open Championship, three-time winner of the Masters Tournament and winner of the PGA Championship, Phil Mickelson seemed like the person we wanted on our team! As one of the greatest players of all time, he has had the opportunity to play many of the world's top golf courses and is keenly aware of what works for the average player as well as professional champions. As a creative shotmaker, he has an eye for creating as many options as possible from tee, all the way through the green.

There is something for everyone, from casual family fun to challenging championship play at Mickelson National Golf Club. Information on booking tee times and reciprocal opportunities at our Windmill 'Sister Clubs' can be found on the following pages. Get Golfing! The opportunity awaits!

Golf Course Access

As of 2025, Mickelson National Golf Club is a private club. While a few things have changed—including our updated dress code—what remains constant is our deep appreciation for the Harmony community and the meaningful connection we share. We continue to value the role Harmony residents play in shaping the spirit of our club and are committed to nurturing that bond.

We're so glad you're here! Now, let's explore the exclusive benefits and privileges available to Harmony residents.

Harmony residents are welcome to enjoy up to **four rounds of golf per household, per season at a special discounted rate at Mickelson National Golf Club**. This limit is based on your residential address—not on the number of individuals living in the home. Four rounds include you and any guests at the discounted special OAH green fee rates found below.

With the purchase of a brand-new home in Harmony, new-home buyers will receive **one complimentary round of golf for four**. The rounds can be used all at once or individually, this offer is valid one time only upon possession and applies exclusively to new build homes—not to resale properties.

OAH members also receive priority access to purchase a Mickelson National Golf Club Membership if membership space is available, or priority placement on a waitlist for memberships.
